Mr. Blake Wilson, President and Chief Executive Officer, Mississippi Economic Council

Others Present:

Mr. Eric Atchison, Director of System Analysis, Research, & Enrollment Management, Mississippi Institutions of Higher Learning
Mrs. Stephanie Bullock, Complete 2 Compete Project Coordinator, Mississippi Institutions of Higher Learning
Ms. Melia Dicker, Woodward Hines Education Foundation/Get2College
Ms. Kim Gallaspy, Director of Legislative Services, Mississippi Institutions of Higher Learning
Ms. Chellese Hall, Woodward Hines Education Foundation
Ms. Audra Kimble, Assistant Executive Director for Academic and Student Affairs, Mississippi Community College Board
Ms. Kierstan Knaus, Woodward Hines Education Foundation/Get2College
Dr. Shawn Mackey, Deputy Executive Director for Programs and Accountability, Mississippi Community College Board
Ms. Jean Massey, Associate Superintendent, Mississippi Department of Education
Mr. James McHale, President & CEO, Woodward Hines Education Foundation
Ms. Heather Morrison, P-20 Project Coordinator, Mississippi Institutions of Higher Learning
Ms. Amber Palmer, Project Coordinator, Mississippi Institutions of Higher Learning
Ms. Lee Anne Robinson, Budget Officer, House of Representatives
Ms. Jennifer Rogers, Director, Office of Student Financial Aid
Ms. Stacy Sneed, Woodward Hines Education Foundation
Mr. Kell Smith, Director of Communications, Mississippi Community College Board
Dr. Jim Turcotte, Chairman, Mississippi Post-Secondary Education Financial Assistance Board
Dr. Casey Turnage, Director of Policy and Strategic Initiatives, Mississippi Institutions of Higher Learning
Ms. Kim Verneuille, Director of Proprietary Schools, Mississippi Community College Board
Ms. Apryll Washington, Director of Policy and Planning, Office of Student Financial Aid
Ms. Shanell Watson, Associate Program Officer, Woodward Hines Education Foundation

I. Welcome

Dr. Jim Borsig opened the meeting and requested that members review the minutes.

II. Approval of Minutes

Accepted as corrected.

III. Elevating Mississippi to a Higher Degree: Presentation from Woodward Hines Education Foundation

Mr. McHale presented a report on the establishment of the Woodward Hines Education Foundation. The organization began as a secondary market for student loans and an organization to assist students with college access. The Get2College program is a statewide initiative to help students prepare for college. WHEF priorities are access and entry, persistence and completion, and connection to meaningful employment.

A copy of the presentation is attached to these minutes.

IV. Update on SREB Ready Courses

Ms. Jean Massey gave an update on the SREB Ready Courses. They have been re-named Essentials for College Math and Essentials for College Literacy. The data presented by Ms. Massey shows progress of students in the courses. The SBE board policy mandates that all schools offer the courses beginning in the 2918-19 school year. A copy of the handout is attached to these minutes.

V. Update on Complete 2 Compete Website Launch

Stephanie Bullock demonstrated the Complete2Compete website and presented information about website traffic and applications. Paid Google and Facebook ads promoting the website are beginning today. In mid-September, a marketing campaign will begin to contact Mississippians who may have earned enough credits to be awarded a degree without additional coursework. The website address is www.msC2C.org. More information about the campaign will be shared at the October meeting.

VI. Discussion of Plans for EAC

Dr. Borsig opened a discussion about reducing the number of meetings and focusing more directly on the role of sustaining attention to increasing educational attainment as required in the EAC statute, Mississippi Code §37-163-1.

After discussion, the consensus was to develop a proposal for a two or three meeting format for consideration at the October meeting. The schedule may include a meeting/presentation during Legislative Session to the Education and Universities and Colleges Committees so more legislators can hear about the work of the Council. The October meeting will also include presentations of the report cards and longitudinal analysis of the data.

VI. Other Business

Dr. Jesse Smith announced that he is stepping down as Co-Chair of the Council. He praised the progress made so far.

VII. Next Meeting

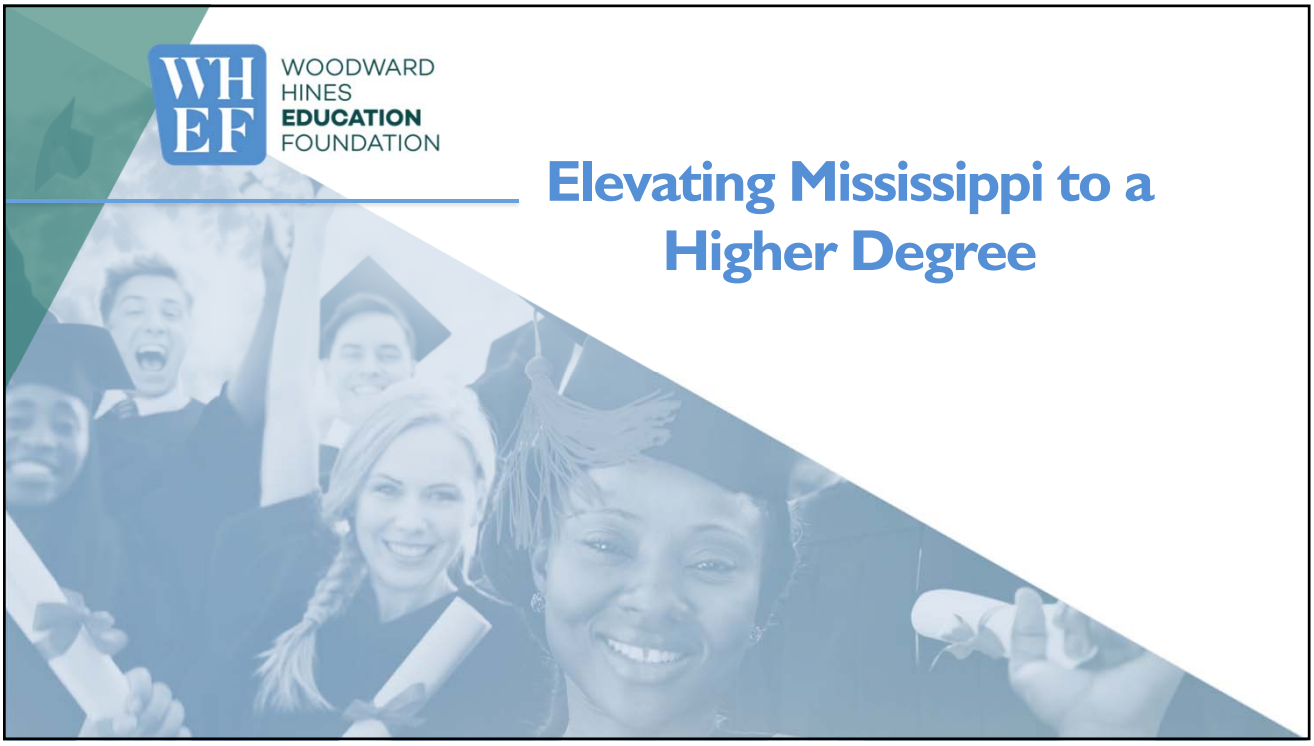
The next meeting of the Education Achievement Council will be held on October 26, 2017 in the IHL Board Room.

IX. Adjourn

There being no further business, the meeting was adjourned.

WOODWARD HINES EDUCATION FOUNDATION

Elevating Mississippi to a Higher Degree



Vision and Mission

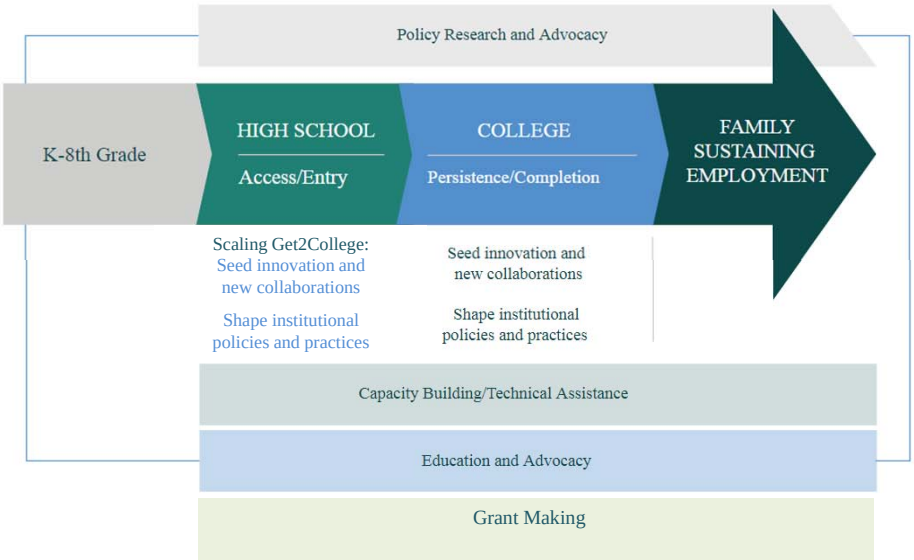
We envision a Mississippi where all people can secure the training and education beyond high school that will allow them to enhance their quality of life, strengthen their communities, and contribute to a vibrant and prosperous future for our state.

Our mission is to help more Mississippians obtain postsecondary credentials, college certificates, and degrees that lead to meaningful employment.

Our Priorities

- Access and Entry
- Persistence and Completion
- Connection to Meaningful Employment

Priorities 2017-2020



NCAN Grant FAFSA Completion Grant partners:

Get2College received a $55,000 grant from the National College Access Network (NCAN) through the Kresge Foundation to increase the level of FAFSA completion in the Jackson Public School District.

FAFSA Completion Grant Partners:

100 Black Men of Jackson, Inc.
Belhaven University
City Council of Jackson
City of Jackson
Greater Bethlehem Temple Church
Greater Jackson Chamber Partnership
Jackson Public Schools
Jackson State University
Mississippi Department of Education
Mississippi Institutions of Higher Learning
Mississippi Office of Student Financial Aid
Mississippi Public Broadcasting
Mississippi State University
Mississippi University for Women
New Horizon Church International
Phi Theta Kappa Honors Society
Tougaloo College
University of Mississippi Medical Center
University of Mississippi
United Way of the Capital Area

Pilot School Locations

Pilot School Services

- **Professional Development for Counselors and Teachers**
- **One-on-one Individual Counseling Days with Students**
- **Student Workshops**
- **Parent Engagement**
- **College Application Completion Days**
- **FAFSA Completion Days**
- **College Tours**
- **Signing Days**
- **Transition Workshops**

OFFICE OF CHIEF OF RESEARCH AND DEVELOPMENT
Summary of State Board of Education Agenda Items
February 16, 2017

OFFICE OF ACCREDITATION

03. Begin the Administrative Procedures Act process: To establish State Board Policy, Chapter 28, Rule 28.6: *Essentials for College Math and Essentials for College Literacy Requirements* (Goals 1 and 2 – MBE Strategic Plan)

Background Information: On February 2, 2017, the Commission on School Accreditation met and approved the recommendation of the Office of Secondary Education to establish State Board of Education Policy, Chapter 28, Rule 28.6: *Essentials for College Math and Essentials for College Literacy Requirements*.

The purpose of the *Essentials for College Math and Essentials for College Literacy Requirements* is to provide the Local Education Agencies (*LEAs) with the policies needed at the school level to teach either course and for students to earn the necessary scores for non-postsecondary remediation.

In an effort to better prepare high school students for the transition to postsecondary study, Mississippi, in conjunction with Southern Region Educational Board and seventeen other states have developed two courses that align with college and career readiness standards. Based on Mississippi Institutions of Higher Learning (IHL) Policy 608, students who complete one or both courses with an 80 or above will not be required to take the corresponding remedial courses for College Algebra or English Composition I at any of the eight public Mississippi Universities.

This item references Goals 1 and 2 of the *Mississippi Board of Education's 2016-2020 Strategic Plan.*

Recommendation: Approval

Back-up material attached

Chapter 28: Curriculum

Rule 28.6 Essentials for College Math and Essentials for College Literacy Requirements
(*previously known as the SREB Math Ready & Literacy Ready Courses)

The purpose of the Essentials for College Math and Essentials for College Literacy is to provide the Local Education Agencies (*LEAs) with the policies needed at the school level to teach either course and for students to earn the necessary scores for non-postsecondary remediation.

1. In an effort to better prepare high school students for the transition to postsecondary study, Mississippi, in conjunction with Southern Region Educational Board and seventeen other states, has developed two courses that align with college and career readiness standards. Based on Mississippi Institutions of Higher Learning (IHL) Policy 608, students who complete one or both of these courses with an 80 or above will not be required to take the corresponding remedial courses for College Algebra or English Composition I at any of the eight public Mississippi Universities.

2. Beginning with the 2017-2018 school year, any LEA that offers either the Essentials for College Literacy or the Essentials for College Math course must meet the following requirements:

    a. Teacher must have a valid 7-12 mathematics endorsement (154) or English Language Arts/Literacy (119) endorsement before participating in this training.
    b. Teacher must attend certification training as offered or approved by the Mississippi Department of Education.
    c. Teacher must apply for and request to add the 930 supplemental endorsement for the Essentials for College Literacy or the 929 supplemental endorsement for the Essentials for College Math to his/her teaching license with the Mississippi Department of Education Office of Teacher Licensure.
    d. Students eligible for this class must enter with an ACT sub-score of 15-18 in the respective content area (English or mathematics).
    e. Students must be classified as a senior for enrollment. An exception to this requirement may include students classified as a junior planning to graduate prior to the spring of their senior year.

3. Beginning with the 2018-2019 school year, all LEAs must offer Essentials for College Math and Essentials for College Literacy

4. LEA failure to adhere to the set forth requirements in Section 2 will be a violation of the Mississippi Accountability Standards 2 and 26.
