

A MESSAGE FROM THE LEGISLATURE

The Higher Education Appreciation Day—Working for Academic Excellence (HEADWAE) was established by the Mississippi Legislature in 1988 to honor academically talented students and faculty members who have made outstanding contributions in promoting academic excellence.

The Appreciation Day is our way of saying “thank you” for your commitment to the future of Mississippi. It is an honor and a privilege for the Legislature to recognize these honorees for their outstanding achievements. We wish them every success as they pursue their personal and professional goals.

**THE HONORABLE PHIL BRYANT
LIEUTENANT GOVERNOR
STATE OF MISSISSIPPI
CHAIR OF HEADWAE**

Congratulations HEADWAE Honorees! I am pleased to welcome all 72 of you and commend you on your academic achievements and for being selected as the outstanding student and faculty member at your institutions. HEADWAE was created to showcase the contributions many of you have made in improving academic excellence.

I, along with the Mississippi Legislature, the corporate community, and others involved in higher education are delighted to have the opportunity to recognize your academic and leadership achievements and celebrate the individual students, faculty and staff who embody academic excellence and commitment to the goals and missions at our institutions of higher learning. Through personal and academic achievement, you demonstrate that a quality education can be found right

here in Mississippi's colleges and universities.

The son of a diesel mechanic and a mother that was a housewife, I learned early in life the importance of education and hard work. Because of your dedication, your dreams are endless. As President Abraham Lincoln said, "Upon the subject of education, not presuming to dictate any plan or system respecting it, I can only say that I view it as the most important subject which we as a people may be engaged in."

Mississippi has an even brighter future because of each of you. Again, congratulations on being selected outstanding honorees.

H.E.A.D.W.A.E.
