## OFFICE OF THE GOVERNOR

February 24, 2010

Dear Friends:

As Governor of the State of Mississippi, I am pleased to welcome you to the Mississippi Association of Colleges and Universities ***Higher Education Appreciation Day – Working for Academic Excellence (HEADWAE)***. It is my pleasure to welcome our visitors to the beautiful and friendly City of Jackson, the capital of this great State of Mississippi.

The work done by the Mississippi Association of Colleges and Universities is very much appreciated. I commend your faithfulness and commitment to promoting the importance of higher education and academic excellence. Mississippi is proud of leaders, like you, that are working to make a difference in the State of Mississippi and improve the quality of life for our citizens.

Many thanks are also due to the host and organizers. I applaud their efforts to put on this outstanding event.

Again, welcome to this year's awards event, and best wishes for many more to come.

Sincerely,

A handwritten signature in dark ink, appearing to read "Haley Barbour".

**THE HONORABLE PHIL BRYANT  
LIEUTENANT GOVERNOR  
STATE OF MISSISSIPPI  
CHAIR OF HEADWAE**

Congratulations HEADWAE Honorees! I am pleased to welcome all 70 of you and commend you on your academic achievements and for being selected as the outstanding student and faculty member at your institutions. HEADWAE was created to showcase the contributions many of you have made in improving academic excellence.

I, along with the Mississippi Legislature, the corporate community, and others involved in higher education are delighted to have the opportunity to recognize your academic and leadership achievements and celebrate the individual students, faculty and staff who embody academic excellence and commitment to the goals and missions at our institutions of higher learning. Through personal and academic achievement, you demonstrate that a quality education can be found right

here in Mississippi's colleges and universities.

The son of a diesel mechanic and a mother that was a housewife, I learned early in life the importance of education and hard work. Because of your dedication, your dreams are endless. As President Abraham Lincoln said, "Upon the subject of education, not presuming to dictate any plan or system respecting it, I can only say that I view it as the most important subject which we as a people may be engaged in."

Mississippi has an even brighter future because of each of you. Again, congratulations on being selected outstanding honorees.

Sincerely,

A handwritten signature in black ink that reads "Phil Bryant".

In addition, I commend the Mississippi Legislature for taking the time each year to honor talented students and faculty members from each of the state's public and private institutions of higher learning. As Mayor, I also thank legislators for hosting this event in the City of Jackson, and for highlighting the achievements of our brightest and best students and faculty.
