NC-SARA Fees

The National Council for SARA assesses an annual fee for participation in SARA. This annual fee is based on an institution's total full-time equivalent (FTE) enrollment as shown in the Integrated Postsecondary Education Data System (IPEDS):

- \$2,000/year for institutions with fewer than 2,500 FTE students
- \$4,000/year for institutions between 2,500-9,999 FTE students
- \$6,000/year for institutions with 10,000 or more FTE students

Once MCCA approves an institution, MCCA will notify SREB, NC-SARA, and the institution. MCCA's approval letter to the institution will include a link to NC-SARA's payment and approval process.
