**REQUIRED** military service is that service which is required of an individual in the service of the Armed Forces of the United States; it does not include a military service obligation incurred to repay a grant, stipend or scholarship granted the individual prior to, during, or after the award of the William Winter Alternative Route Teacher Scholar Loan Program.

**OBLIGATED** or **VOLUNTARY** military service is that service which is performed by the individual in repayment of a debt owed the United States government as a result of military scholarships, ROTC scholarships, etc. received by the individual. Service is **VOLUNTARY** if the individual is not obligated to incur a period of military service, but chooses to incur the service obligation.

- A. Loans/Scholarships shall be eligible for deferment of the accrual of interest and the repayment of principal during the time of required military service:
1. In the event of **REQUIRED** military service, the recipient must apply in writing to the Board for a leave of absence, stating beginning and ending dates.
  2. The recipient must supply the Board with a copy of military orders.
  3. Deferment of the obligation to repay due to military service must be requested and approved by the Board on a year-to-year basis (annually).
  4. Immediately upon completion of **REQUIRED** military service, the recipient must elect among the options for repayment or service repayment and notify the Board of such election.
  5. If a recipient continues **REQUIRED** military service for any reason beyond the required time, then that person shall be declared ineligible for deferment and the remaining unpaid principal and interest due and payable shall become due and payable on demand to the Board in equal consecutive monthly installments as determined by the Board with interest calculated at the current Federal Stafford Loan rate at the time of the occurrence of the event.
- B. If a recipient obligates himself/herself to **VOLUNTARY** military service prior to, during, or after the award of the William Winter Alternative Route Teacher Scholar Loan Program, then that person shall be declared ineligible for deferment and the remaining unpaid principal and interest due and payable shall become due and payable on demand to the Board in equal consecutive monthly installments, as determined by the Board, with interest calculated at the current Federal Stafford Loan rate at the time the occurrence of the event.

## VI. SERVICE OPTION

- A. If a recipient is unable to successfully take and pass the Praxis II within one (1) calendar year, from the date of graduation, the unpaid principal and interest shall become due and payable on demand to the Board in equal consecutive monthly installments, as determined by the Board, with interest calculated at the current Federal Stafford Loan rate at the time of the occurrence of the event.
- B. The recipient will furnish to the Board the proposed site of employment within the State of Mississippi within three months (3) of graduation unless granted an exception for cause. It is fully understood that it is the responsibility of the loan/scholarship recipient to seek and secure employment. The Board assumes no obligation to perform that function.
- C. If the approved employment proves to be unsatisfactory, the recipient may request change of employment approval from the Board. **NO CHANGE IS TO BE MADE PRIOR TO BOARD APPROVAL.** The new employment must likewise be within the State of Mississippi.
- D. The service obligation will not be deferred for the recipient who has completed all requirements for an undergraduate degree but wishes to pursue additional undergraduate study or first master's degree.

- E. Loans/Scholarships made to recipients shall be made and based upon the following options for repayment or conversion to interest-free scholarships (**REQUIRED military service excepted**):
1. In lieu of payment in full of both principal and interest, a loan/scholarship recipient who actually renders teaching service as a full-time teacher in any school or school district that is accredited or approved by a governing board or association for a major portion of the school day for at least seventy-eight (78) school days during each of eight (8) school semesters of the ten (10) immediately after obtaining a baccalaureate degree and standard license nontraditional route shall be converted to interest-free scholarships. Conversion shall be based on two (2) semesters of service for each year a loan/scholarship was received. The service shall never be less than one (1) year, regardless of the length of study provided under this loan/scholarship.
  2. Persons failing to meet the teaching requirements in any required year shall immediately become liable to the Board for the amount of the corresponding loan/scholarship received, with interest calculated at the current Federal Stafford Loan rate at the time of the occurrence of the event, except in the case of a deferral of debt for cause by the Board, after which period of deferral, teaching duties required hereunder will be resumed. If the claim for payment of such loan is placed in the hands of an attorney for collection after default, then the obligor shall be liable for an additional amount equal to a reasonable attorneys' fee.
  3. In the alternative, in the event of abandonment or abrogation of the options for repayment as provided for in VI. E. 1 and lump sum payment in VI. E. 2, the remaining balance of unpaid or undischarged principal and interest shall become due and payable over the remaining period of time made in thirty-six (36) or less equal consecutive monthly installments, as determined by the Board, commencing one (1) month after graduation or termination of attendance as a full-time student or termination of full-time employment or termination of other deferment.

## **VII. LOAN OPTION**

- A. In the alternative, recipient may repay his/her loan (principal and interest thereon) in thirty-six (36) or less equal consecutive monthly installments, commencing one (1) month after graduation and/or termination of attendance as a full-time student or termination of full-time employment or termination of other deferment.
- B. The rate of interest charged a loan recipient shall be at the current Federal Stafford Loan rate at the time of the occurrence of the event on the unpaid balance, commencing one (1) month after graduation and/or termination of attendance as a full-time student or termination of full-time employment or termination of other deferment.
- C. If the recipient fails to repay his/her loan (principal and interest thereon) in thirty-six (36) or less equal consecutive monthly installments, commencing one (1) month after graduation and/or termination of attendance as a full-time student or termination of full-time employment or termination of other deferment, all principal and interest outstanding, together with costs of collection shall become immediately due and payable and demand shall be made by mailing the same to the obligor at the last address furnished by said obligor. Should payment of the sum due not be made in full within thirty (30) days, on the 30th day following the date demand was made, the Contracts and Notes executed by the obligor shall be placed with an attorney for collection, at which point the obligor shall become liable for reasonable attorneys' fees and court costs in addition to the other sums due and owing.
- D. Failure to repay any loan and interest that becomes due shall be cause for the revocation of a person's teacher license by the Mississippi State Department of Education.

## **VIII. DEATH/TOTAL AND PERMANENT DISABILITY/BANKRUPTCY**

### **A. Death**

1. If an individual recipient dies and that recipient has elected to repay by service as specified in Section VI. E. 1 and 2, then the recipient's obligation to make any further payments of principal and interest on the loan is canceled.
2. The Board may determine that such a recipient has died on the basis of a death certificate or other proof of death that is acceptable under applicable State Law. If a death certificate or other acceptable proof of death is not available, the recipient's obligation on the loan is canceled only upon a determination by the Board on the basis of other evidence that the Board finds conclusive.
3. Once the Board has determined that such a recipient has died, the Board may not attempt to collect on the loan from the recipient's estate.

**B. Total and Permanent Disability**

1. If the Board determines that an individual recipient is totally and permanently disabled, the recipient's obligation to make any further payments of principal and interest on the loan is canceled. A recipient is not considered totally and permanently disabled on the basis of a condition that existed before he/she applied for the loan/scholarship, unless the recipient's condition has substantially deteriorated since he/she submitted the loan/scholarship application, so as to render the recipient totally and permanently disabled.
2. After being notified by the recipient or the recipient's representative that the recipient claims to be totally and permanently disabled, the Board shall promptly request that the recipient or the recipient's representative obtain a certification from a physician who is a doctor of medicine or osteopathy and legally authorized to practice, on a form provided or approved by the Board, that the recipient is totally and permanently disabled. The Board shall continue collection until it receives the certification or receives a letter from a physician stating that the certification has been requested and that additional time is needed to determine if the recipient is totally and permanently disabled. After receiving the physician's certification or letter, the Board may not attempt to collect from the recipient.
3. If the Board determines that a loan owed by a recipient who claims to be totally and permanently disabled is not eligible for cancellation for that reason, or if the Board has not received the physician's certification, described in paragraph [B](2) of this section, within 60 days of the receipt of the physician's letter described in paragraph [B](2) of this section, the Board shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the Board received the physician's letter described in paragraph [B](2) of this section.
