# *Data Reporting Calendar*

The Board office recognizes that the ultimate responsibility of accurate and timely data is the responsibility of the individual institutions. The Board office's role is to accumulate and format this information for presentation to the Trustees, other policy makers, and the general public. The purpose of this Data Reporting Calendar is to provide a time sequence that will ensure timely information and the opportunity for the individual institutions to report data in an accurate manner.

Data listed as *Incoming MIS Data* should be submitted to the Office of Research and Planning. Data listed as *Incoming Financial Data* should be submitted to the Office of Finance and Administration. Data listed as *Incoming Facilities Data* should be submitted to the Office of Construction and Physical Affairs.

## **MIS Delinquent and Preliminary Reporting Policies**

### **Delinquent Reporting Policy**

1. An institution's data will be considered delinquent if not received in the Office of Research and Planning by noon on the first working day after its due date.
2. Once data become delinquent, a reminder will be sent by e-mail or fax to the institution's representative on the Council of Institutional Research Officers (CIRO).
3. If data are not received after 3 working days from the due date, a written notice will be forwarded to the Commissioner who will subsequently contact the appropriate Institutional Executive Officer.
4. Once MIS data are submitted to the Board office, the Office of Research and Planning will return edit reports to the institutions within three working days.

### **Preliminary Reporting Policy**

5. Any data received, whether it be in electronic or written format, will be considered preliminary for twenty (20) working days after the due date.
6. During this preliminary period, institutions will have the opportunity to audit and revise their data as well as provide written explanations to the Office of Research and Planning for any exceptions occurring in the data.
7. If the data still have a considerable number of problems after the preliminary period has expired, with no written explanations detailing the exceptions, the Commissioner and the appropriate Institutional Executive Officer will be notified of the type and frequency of the problems.
8. Once the preliminary period has expired, the data will become final and published by the Office of Research and Planning. It will subsequently be released to the Board, state legislature, media, and other agencies upon request.
9. To revise final data after the preliminary period has expired, the Institutional Executive Officer should provide a written statement detailing the reason for the requested change.

Note: Facilities, Budget and Financial information do not follow the MIS Delinquent and Preliminary Reporting Policies.
