Mission Statement

State Institutions of Higher Learning (IHL System)

The Mississippi Institutions of Higher Learning (IHL System), under the governance of its Board of Trustees, will operate as a strong public university system with eight distinct, mission-driven universities, and will enhance the quality of life of Mississippians by effectively meeting their diverse educational needs. In so doing, the IHL system will be characterized by, and become nationally recognized for, its emphasis on student achievement and on preparing responsible citizens; its adherence to high academic standards and to quality in instruction, research, service, and facilities; and its commitment to affordability, accessibility, and accountability.

Board of Trustees

The purpose of the Board of Trustees is to manage and control Mississippi's eight institutions of higher learning in accordance with the Constitution and to see that the IHL System mission is accomplished. To do so, the Board will operate a coordinated system of higher education, establish prudent governance policies, employ capable chief executives, and require legal, fiscal and programmatic accountability. The Board will annually report to the Legislature and the citizenry on the needs and accomplishments of the IHL System.

Institutions

Each institution of higher learning has a distinct history and traditions, and a distinct mission to be performed within the context of the Board and System missions, but they also share certain common characteristics. The common characteristics include:

- 1. a commitment to excellence and responsiveness;
- 2. a commitment to programs and activities that enhance the undergraduate experience and strengthen general education;
- 3. a commitment to a teaching/learning environment, both inside and outside the classroom, that sustains instructional excellence, serves a diverse and well-prepared student body, provides academic assistance, and promotes high levels of student achievement;
- 4. a commitment to scholarly and creative work and research that is consistent with the university's mission;
- 5. a commitment to public service, continuing education, technical assistance, and economic development programs and activities that respond to societal needs;
- 6. a commitment to accountability, efficiency, productivity and the effective utilization of technology;
- 7. a commitment to collaboration with public and private partners as a means of more effectively utilizing institutional resources; and
- 8. a commitment to ethnic and gender diversity.

Five-year Goals for the system have been developed in order for the Planning Principles to come to fruition. Successful accomplishment of these Goals will strengthen not only the educational and economic foundation in the state, but also the comprehensive societal well-being of the state, the region, the nation, and beyond. Strategies used to meet these system goals are set by the individual universities in order to ensure respect for the distinctive mission and scope of each institution.

- 5. Encourage research and creative activities to enhance instruction, generate new knowledge, and contribute to economic development;
- 6. Provide informal education, technical assistance, and other public services that respond to societal needs;
- 7. Promote accountability, efficiency, productivity and effective utilization of technology;
- 8. Promote ethnic and gender diversity;
- 9. Enhance programs and utilization of resources by development of cooperative efforts and partnerships;
- 10. Enhance public awareness and support of IHL programs and services; and
- 11. Promote and implement the Higher Education Summit recommendations.

PRIORITIES

To accomplish the long-range goals, priorities will be set annually. All goals are important and will be supported each year, but not every goal will have specific priorities associated with it each year.

MISSISSIPPI/SREB STATES AVERAGE APPROPRIATION PER FTE STUDENT (A TEN-YEAR COMPARISON)

- v The average funding for a full-time equivalent student in Mississippi's public universities and in public universities in the SREB region is compared in the chart below. This funding represents not only support of instruction, but also availability of computers, library resources, and laboratory equipment.
- v The estimated SREB average appropriation for a full-time equivalent student exceeded Mississippi's average by \$340 during FY 2013.

Note: FTE enrollment for FY 2012 includes credit hours attempted for Fall 2012.

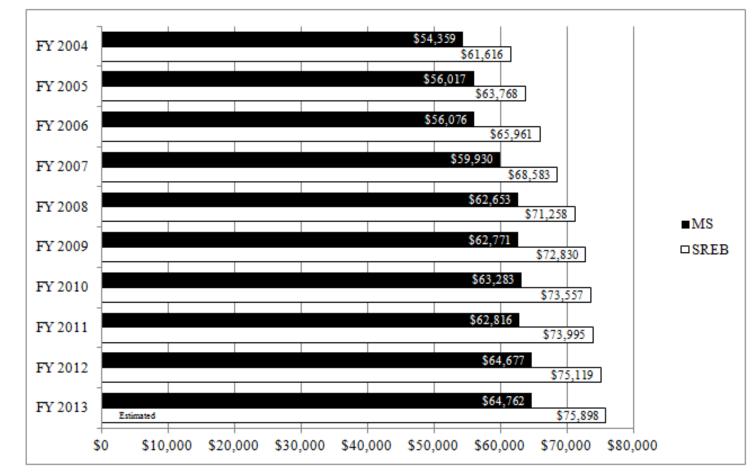

The data presented do not include the University of Mississippi Medical Center.

h

Universitie MISSISSIPPI/SREB STATES AVERAGE FULL-TIME FACULTY SALARIES (A TEN-YEAR COMPARISON)

- v A review of the average salaries for full-time faculty in Mississippi and in SREB states over the last ten years shows that **average full-time faculty salaries in Mississippi have remained below the regional average.**
- v The disparity between average faculty salaries in Mississippi and the SREB region has increased since FY 2004. In FY 2004, faculty members in the SREB made an average of \$7,257 more than Mississippi faculty members. By FY 2013, faculty members in the SREB made an average of \$11,136 more.

Note: The formula for calculating weighted average salaries changed in 2012-13 because IPEDS changed the categories of contract length in the HR survey. Nine-month equivalent salaries are now calculated by dividing the total salary outlay by the total number of service months and multiplying by 9.

The data presented do not include the University of Mississippi Medical Center.

TRENDS IN STATE STUDENT FINANCIAL AID PROGRAMS

State-supported student financial aid programs provide valuable assistance to many college students. The following tables include the number of awards made and the amount expended in the state grant programs, including the MISSISSIPPI RESIDENT TUITION ASSISTANCE GRANT (**MTAG**), the MISSISSIPPI EMINENT SCHOLARS GRANT (**MESG**), and the HIGHER EDUCATION LEGISLATIVE PLAN for Needy Students (**HELP**). The following tables also include data on the state loan/scholarship programs, including the CRITICAL NEEDS TEACHER and ALTERNATE ROUTE TEACHER LOAN/SCHOLARSHIP PROGRAM (**CNTP/CNAR**), the WILLIAM WINTER TEACHER and ALTERNATE ROUTE TEACHER LOAN/SCHOLARSHIP PROGRAM (**WWTS/WWAR**), and the NURSING EDUCATION LOAN/SCHOLARSHIP PROGRAM (**NELS**).

The table on page **51** presents an overview of all Mississippi Student Financial Aid programs from FY 2009 through FY 2012.

First authorized by the Legislature in March of 1995, the **MISSISSIPPI RESIDENT TUITION ASSISTANCE GRANT (MTAG) PROGRAM** offers financial assistance to Mississippi residents pursuing full-time a first certificate, associate's, or bachelor's degree at an approved Mississippi college or university. To be eligible as first-time college students, applicants must have a minimum 2.5 high school GPA and a composite score of 15 on the national ACT. Awards are dependent upon the availability of funds and are subject to proration. Freshmen and sophomores receive up to \$500 per academic year; and juniors and seniors receive up to \$1,000 per academic year. Students who are eligible for a full federal Pell grant are not eligible to receive MTAG.

First authorized by the Legislature in March of 1995, the **MISSISSIPPI EMINENT SCHOLARS GRANT** (**MESG**) **PROGRAM** offers financial assistance to Mississippi residents pursuing full-time a first certificate, associate's, or bachelor's degree at an approved Mississippi college or university. Students receive up to \$2,500 per academic year, not to exceed tuition and required fees, for a maximum of four academic years. To be eligible, applicants must be first-time-in-college students with a minimum 3.5 high school GPA and a minimum composite score of 29 on the national ACT. Students must apply within three years of high school graduation.

First authorized by the Legislature in March of 1997, the **HIGHER EDUCATION LEGISLATIVE PLAN for Needy Students (HELP)** provides full tuition and required fees to all qualified, college-bound Mississippi residents with demonstrated financial need who apply and enroll full-time at an approved Mississippi college or university to pursue a first associate's or bachelor's degree. Eligible applicants must have a 2.5 high school grade point average on a rigorous core curriculum, a composite score of 20 on the national ACT, and must be able to document residency in Mississippi for two (2) years prior to applying. Additionally, the applicant's family must document that the two (2) year average annual adjusted gross income is \$36,500 or less. Eligible applicants must have received notification of federal student aid eligibility prior to the HELP application deadline.

The tables on page 52 detail the actual MTAG, MESG and HELP awards for FY 2009 through FY 2012.

TRENDS IN STATE Student Financial Aid Programs (Continued)

Authorized in March of 1998, the **Critical Needs Teacher and Alternate Route Teacher Loan/Scholarship Programs (CNTP/CNAR)** provide tuition, required fees, the average cost of room and meals, and a book allowance at the college or university in which the student is enrolled, not to exceed an amount equal to the total cost of tuition, room and meals, books and required fees assessed by the closest public four-year institution of higher learning during that school year. An eligible student must be enrolled at least part-time as a junior or senior in a program of study leading to a Class "A" educator's license or an alternate route educator's license, must have a 2.5 cumulative GPA and a composite score of 18 on the ACT or passing Praxis I scores. Recipients may fulfill the loan to scholarship service obligation by working full-time as a licensed classroom teacher in a Mississippi public school district located in a critical teacher geographic or subject shortage area for one year for each year of loan received. Funds are limited and awards are made on a first-come, first-served basis. Non-resident students may apply.

Authorized in March of 1991, the **William Winter Teacher and Alternate Route Teacher Loan/Scholarship Programs (WWTS/WWAR)** provide up to \$4,000 per year to Mississippi residents enrolled full-time at any state approved public or nonprofit four-year college or university to pursue a first bachelor's degree. An eligible student must be a junior or senior in a program of study leading to a Class "A" educator's license or an alternate route educator's license, must have a 2.5 cumulative GPA and a composite score of 18 on the ACT or passing Praxis I scores. Recipients may fulfill the loan to scholarship service obligation by working full-time as a licensed classroom teacher in a Mississippi public school district for one year for each year of loan received.

The Nursing Education Loan/Scholarship Programs (NELS) provide financial assistance to Mississippi residents enrolled at least part-time at any state approved public or nonprofit four-year college or university to pursue a bachelor's, master's, or doctoral degree in nursing. Bachelor's and master's level recipients receive up to \$4,000 per academic year, while doctoral level recipients receive up to \$5,000 per academic year. Recipients may fulfill the loan to scholarship service obligation by working full-time as a nurse or nurse educator in an approved setting in Mississippi for one year for each year of loan received. Funds are limited and awards are made on a first-come, first-served basis.

The table on page **53** illustrates the trends in the CNTP/CNAR, WWTS/WWAR, and NELS Programs since FY 2009.

The table on page **54** presents an FY 2012 overview of MTAG, MESG, HELP, CNTP/CNAR, WWTS/WWAR, and NELS awards and expenditures by **Institution Type**.
