## NSC Driver Safety Training DDC 4 6th edition / Van Driver 3

### The most interactive safety driver training course from the National Safety Council

This four-hour instructor-led classroom course now offers greater flexibility for organizations who would like to customize session blocks. This course will motivate participants to change their behind-the-wheel behaviors and attitudes. It will give them key understanding, skills and techniques to avoid collisions and reduce future violations. The result is a more responsible driver who grasps best practices to prevent injury and death while operating a motor vehicle.

#### What you will learn

- The stages, causes and prevention of collisions
- How to reduce collision risk with defensive driving strategies
- How driving distractions such as talking and texting affect driving ability
- The definition of impairment and its related dangers
- The impact of physical, weather, road and traffic conditions
- How to identify and minimize aggressive driving activities
- The four fatal driving behaviors

#### Course benefits

**Businesses** that adopt the DDC 4 program as their best driver safety practice show their commitment to safety for employees, their families and the public. This training can also help to improve an organization's bottom line, lower worker's compensation insurance costs, decrease fleet premiums, reduce liability exposure and create a culture of safety.

**Courts** that use the DDC 4 program in their ticket dismissal program combat driving fatality rates by changing driver attitudes and behaviors. The program also allows courts to reduce court congestion, decrease case workloads and save lives.

**Individuals** who take the DDC 4 course gain a new awareness of roadway safety and defensive driving helping them to reduce risk of collisions, dismiss traffic tickets, avoid insurance increases, qualify for court supervision and fulfill court ordered driver education.

**Written exam** is included in the instructor manual for evaluation of cognitive content.

*The DDC 4 / Van Driver 3 training courses are available for instruction on university campuses free of charge to all employees. Space is limited to 25 participants per class.*
