

MISSISSIPPI INSTITUTIONS OF HIGHER LEARNING
OFFICE OF ACADEMIC AND STUDENT AFFAIRS
Nursing Education

APPLICATION AY 2024/2025

The Board of Trustees of Mississippi Institutions of Higher Learning (IHL) is empowered and required to establish rules and regulations and promulgate uniform standards for accreditation of schools of nursing in the state of Mississippi in accordance with (a) and (b), Miss. Code (2008 Supp.) §37-129-1, et seq. Schools of nursing located at institutions outside of the state of Mississippi must be approved by the Mississippi Institutions of Higher Learning Office of Academic Affairs Nursing Education to place students in any type of clinical learning placement setting in Mississippi to ensure out-of-state and online colleges/universities programs are equivalent to in-state nursing programs.

A Nursing Education Program Outside Mississippi Desiring to Conduct Clinical Learning Experiences in Mississippi shall be:

- Fully approved/accredited by the state board of nursing in the state where the nursing education program originates.
- The institution shall be regionally accredited.
- The nursing program shall be nationally accredited by ACEN®, CCNE, or NLN-CNEA.
- Prelicensure programs must have an NCLEX-RN® examination pass rate of at least 80% for the current three-year period.
- Post-licensure APRN programs must have a certification pass rate of at least 80% for the current three-year period.
- The credentials of nursing faculty with oversight of student(s) in the program in Mississippi shall have a minimum of a graduate degree in nursing from a regionally accredited institution.
- All nursing faculty with oversight of student(s) in the program in Mississippi shall have a current, unencumbered MS or NLC license.
